

Decorative luminous speaker & night light – CBLNEONOSTARM Colorlight

This pretty luminous speaker will delight the rooms of your little babies. Both a nightlight and a Bluetooth music speaker, NARVY will be very useful in helping your children fall asleep. You can adjust the light intensity, the volume, the choice of music or nursery rhymes played directly with the Colorlight application available on iOS and Android. And to protect them from the waves, you can activate an Airplane mode at any time.
