

## Home Micro System COSY THOMSON MIC300IBT

Very elegant with its rounded curves and its "light oak" covering, this stereo system allows you to listen to your music via Bluetooth, on a USB key, using an MP3 player connected to AUX-IN, on CD or on the radio. Also connect a vinyl turntable to RCA to enjoy the special listening experience that vinyls offer. You can recharge your smartphone by induction or USB. Equipped with a musical power of 60W, this system offers you numerous listening possibilities.
