Make MUSHROOM your child's ideal companion for moments of relaxation and fun. Transform their daily bedtime routine with a touch of light and sound magic.

Characteristics

- Bluetooth® 5.3: Enjoy a stable wireless connection and exceptional sound quality.
- Varied lighting effects: Immerse yourself in a world of vibrant colors and shades of white, perfect for any atmosphere.
- Adjustable light intensity: Adapt the brightness according to your needs with a simple tap on the mushroom head. Choose from four intensity levels (0%, 20%, 50%, 100%).
- Convenient timer: Schedule the light to automatically turn off after 30 or 60 minutes, ideal for naps and peaceful nights.
- ON/OFF button: Quick and easy control for hassle-free use.
- Ergonomic design: The silicone mushroom head is soft and flexible, adding a touch of smoothness and interactivity.
- Rechargeable battery: Equipped with a 1200 mAh battery, your "Mushroom" night light is easily rechargeable with the included USB-C cable, for prolonged and uninterrupted use.
