Stay Connected and Safe with our Multifunction Emergency Radio!–

–Indispensable in any situation, our emergency radio gives you peace of mind in all circumstances. Pick up the latest news with its FM/AM radio, and stay enlightened with its built-in flashlight and handy reading lamp. If necessary, activate the SOS mode to trigger a powerful audible and visual alarm.–

–Its retractable telescopic antenna ensures optimum reception, and you'll never run out of power thanks to its multiple recharging options: solar, crank (dynamo), or via its USB-C port. The 8000mAh Li-ion battery, rechargeable via USB-C (cable included), also acts as a backup battery for your devices. A clear indicator lets you monitor the battery level (25-50-75-100%). **Prepare for the unexpected!**
