

Radio Alarm Clock & Speaker with Bluetooth RT850DABBT THOMSON

Dive into retro elegance with modern technology!

-Discover our vintage **DAB+ & FM** radio, combining the charm of the past with the digital clarity of the present. Enjoy crystal-clear sound thanks to its built-in **Bluetooth speaker**, allowing you to stream your favorite playlists wirelessly. Its **LCD display with dimmer** shows essential information at a glance, while the autoscan function and 50-station memory ensure quick access to your favorite radios. -Wake up gently with its dual alarm clock and connect your devices via the 3.5 mm AUX-IN input. A retro gem with today's performance!
