

Premium turntable TT700 THOMSON

Vinyl has never been so trendy! With the TT700 and its AT91 phono cartridge signed Audio Technica, you will live a beautiful sound experience while listening to all your 33 and 45 rpm vinyls.

Thanks to the arm equipped with a counterweight and antiskating, you can adjust the pressure of the latter on your vinyl and have a great acoustic session. The Pitch will complete the whole to adjust the vinyl playback speed.
